DR. J. E. SANDBERG HAS HEAVY LOSS

Fire Yesterday Destroyed Large Office Building at the Piney Ridge Sanitarium

LOSS WILL REACH \$1,000

Including Valuable Papers Medical Apparatus, Books and Large Supplies

There was a bad fire at what is called the Piney Ridge sanitarium near White Fish lake yesterday morning entailing a severe loss to Dr. J. E. Sandberg. His office building was consumed by fire and as there is no fire protection there was danger at one time that other buildings of considerable more value would also catch and be destroyed.

The doctor was working with one of the patients in one of the cottages when the fire started and he has no knowledge of its origin. His loss will exceed \$1,000 and he has no insurance whatever. In the cottage were some valuable papers, costly medical apparatus, etc., a large number of books and considerable amount of supplies.

Dr. Sandberg left for St. Paul this afternoon to make the necessary purchases, and he will rebuild his office building at once. He states that it is a severe loss to him just at this time as he has a large number of consumption patients.

Man's Unreasonableness

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble, "instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by H. P. Dunn & Co., druggists, price 50c.

THE NOVEMBER TAX SETTLEMENT

County Auditor Mahlum Has Completed the Figures of an Interesting Statement

THE LARGEST IN SOME TIME

Settlement is Larger by \$14,279.70 Than for the Same Period Last Year

County Auditor Mahlum has just completed an interesting statement of the figures in the regular November settlement which includes the distribution of tax collections from this settlement and from the two forfeited sales held Nov. 8 and 16.

The total settlement, including the two forfeited sales amount \$86,396.42, as against \$40,554.17 for last. The increase in the settlement alone, not including the forfeited sales, would be about \$18,000.

Delinquent taxes collected during the November settlement period this year is \$7,210.16 in excess of the delinquent tax collections for the same period a year ago. So assuming, that under ordinary condition the same amount of back taxes would have been collected during the same period in 1905 and 1904, the above mentioned excess of \$7,210.16 may be chargeable to the pending sales. Add the proceeds of the sales and we have \$14,279.70 in excess of last year's collections for the same period.

FUNERAL LARGELY ATTENDED

Remains of Miss Ada Pearce Arrive on the Belated Train From the South And Funeral is Held at Once

The remains of Miss Ada Pearce arrived in the city yesterday afternoon from the south on the belated passenger and they were at once taken to the Losey & Dean undertaking parlors where an examination was made before they were removed to St. Paul's church where brief services were held. Rev. Mr. Purdue preached a powerful sermon. The church was crowded notwithstanding the lateness of the hour and a large number followed the body to its last resting place at Evergreen cemetery. The floral contributions were many and beautiful. The following young gentlemen acted as pall bearers: Everett Doran, Maurice Mantor, Carl Wright, Guy O'Brien, Will Koop and Howard Ingersoll.

SURVEY FUND LOW

Drainage Board May Anticipate Next Year's Appropriation to Complete The Work Already Started

A meeting of the state drainage board was held at the state capitol yesterday, at which the board considered the topographical survey of the swamp lands in the northern part of the state. The board had been given \$7,000 for this survey, of which \$5,500 has already been used to date.

It is probable that the remainder will be exhausted before the year is out. The board will meet again in two weeks, at which time the board and engineers will consider the advisability of anticipating next year's appropriation.

John Abercrombie, chief engineer in charge of the work, was in the city yesterday at the Ransford.

MUSIC AND DRAMA.

"THE SULTAN OF SULU" MONDAY

A musical treat has been provided for the patrons of the Brainerd opera house. The event will take place on Monday night and the piece secured for the occasion is the Ade-Wathall musical satire, "The Sultan of Sulu." This delightful Gilbertian opera, with its keen, incisive humor and brilliant satire; is not new to patrons of musical attractions, as it enjoyed a six months' run at Wallack's Theatre in New York and played long engagements in Chicago, Boston, Philadelphia and other cities. It comes to town heralded as one of the most substantial and lasting successes of recent years. As suggested by its title, "The Sultan of Sulu" recites certain events supposed to have occurred in the Philippine Islands during the American invasion. The potentate is a whimsical and polygamous individual. He occupies the throne of Sulu or Jolo, the largest of the southern islands of the Philippine group. The Sultan's retinue of wives, soldiers, courtiers, dancing girls and his magnificent palace with its Oriental splendor and tropical gardens, have had no small share in the phenomenal success that has hitherto attended this production. The cast has been most carefully selected and is one of exceptional excellence and the large chorus is noted for the beauty of its feminine members.

"WHY WOMEN SIN"

One of the beautiful leading women on the American stage is Miss Bernice Howard, who will appear as "Pili Pollette" in M. W. Taylor's big scenic production in Will C. Murphy's American society drama, "Why Women Sin" which comes to the Brainerd opera house next Wednesday, Dec. 6. Miss Howard is a southern girl, being born in Richmond, Va. When she was a little miss of three years, she played with the dean of the American stage, Joseph Jefferson, in Rip Van Winkle.

HE KILLED

A COW MOOSE

J. A. Robards, of Alexandria, Caught Here Last Evening With the Goods

WAS FINED \$50 AND COSTS

Deputy Game Warden Saunders Found the Saddles in Man's Rig While En Route

Deputy Game Warden Saunders made a rather neat capture last night when he apprehended J. A. Robards, of Alexandria, and way down in the depths of a big wagon box pulled out a couple of saddles of a cow moose.

Mr. Robards is a business man of Alexandria and is very well thought of at home and when he saw he was up against it he told his story and said he was willing to go into court and plead guilty and have the thing cleared off the boards.

Robards and a party of gentlemen had been up in the Lake George country and had hunted through the season but did not have very good success. Last Monday the moose happened along and Mr. Robards could not resist the temptation of taking a shot at her, especially when he had not had very good success. He threw the saddles in his wagon, which was covered over with a canvass, and started for home, but Game Warden Saunders was notified and he found his man and got the evidence.

Mr. Robards before Judge Warner pleaded guilty this morning and was fined \$50 and costs, which he paid. The law prescribes a penalty of not less than \$50 nor more than \$100 for killing a cow moose at any season of the year. The killing of this moose was not only out of season, but it is a violation to kill a female moose at any time.

AGAIN ELECT PALMA

CUBANS RETURN PRESENT CHIEF

EXECUTIVE OF THE REPUBLIC TO OFFICE.

LIBERALS REFUSE TO VOTE

MODERATES SUCCESSFUL EVERYWHERE AND NO DISORDERS ARE REPORTED.

Havana, Dec. 2.—The political agitation which began six months ago with the national convention of the Liberal party and which has dwindled since the withdrawal of General Jose Miguel Gomez, the presidential candidate named by the convention, ended in an election that was so quiet and uninteresting as to cause scarcely a ripple of excitement. The vote cast was light, this being due to the wholly one-sided election and heavy rains. The withdrawal of the Liberals from all nominations as a protest against alleged injustices by the government and the people in conducting the primaries left a clear field for the Moderates and every Moderate nominee was elected from President Palma to provincial councillors. The only Liberals who will have seats in the new congress, which will open in April, will be the holdovers and consequently only a third of the senate and a fifth of the house will be composed of members of that party.

Governor Nunez of Havana province, who, after he failed to receive the Liberal nomination for the presidency, joined the forces of the Palma party in ousting the Liberals from the Havana city and provincial offices, is re-elected.

Secretary of the Interior Freyre Andrade, who is in constant receipt of telegraphic reports from all sections of the island, said that he had received no advices indicating the slightest disorder anywhere.

FIVE RIOTERS KILLED.

Wharf Laborers at Georgetown, Demerara, Attack Governor's House.

Georgetown, Demerara, Dec. 2.—A strike of wharf laborers, which is in progress here, assumed a very serious aspect during the morning when the police were compelled to fire on a riotous mob. It is reported that five of the rioters were killed.

Later in the day the rioters attacked the governor's house. The governor and other officials are now besieged in the public buildings. The arrival of warships is anxiously awaited.

The strike, which was the result of a demand for higher wages, began Tuesday last and since then the strikers have been parading the streets. Some acts of violence were previously committed, but they were not serious. However, they resulted in the reading of the riot act.

St. Thomas, Danish West Indies, Dec. 2.—The British cruisers Sappho and Diamond have gone to Demerara.

COURTMARTIAL CONCLUDED.

Trial of Midshipman Meriwether Ended.

Annapolis, Md., Dec. 2.—The court-martial in the case of Midshipman Meriwether, Jr., who was tried on the charge of manslaughter for causing the death of Midshipman James R. Branch, Jr., in a fist fight, completed its work late in the afternoon and adjourned. No information was given out as to the findings of the court. The proceedings and record in the case will be forwarded to the navy department for review and the verdict will be announced from there.

PLATT'S CANDIDATE QUILTS.

Olcott No Longer Seeks Chairmanship of New York County Committee.

New York, Dec. 2.—At a dinner at the Republican club at night, given to twenty-five Republican members of the national house of representatives from New York state, J. Van Vechten Olcott read his statement of withdrawal from the contest for the chairmanship of the Republican county committee of New York county. Mr. Olcott was known as Mr. Platt's candidate. Herbert Parsons, who was endorsed by a majority of the committee for chairman, was also present.

ENORMOUS LOSS FROM FIRE.

Almost the Entire Business Portion of Arcadia, Fla., Destroyed.

Tampa, Fla., Dec. 2.—Practically the entire business portion of the town of Arcadia, Fla., involving a loss estimated at \$250,000, was destroyed by fire which started at an early hour in the morning. Both telegraph and telephone communication was cut off until afternoon, the Peninsula Telephone company's office being burned. Every business house in the town except three brick buildings, the Kings, Seward and De Sota blocks, were destroyed.

Five Persons Injured.

Hammond, Ind., Dec. 2.—Five persons were badly injured in a head-on collision between eastbound double header passenger train No. 16 and a freight train on the Baltimore and Ohio railroad east of this city. The collision occurred on a sharp curve and was due to a misinterpretation of orders.

STIMULUS TO RETAIL TRADE.

Widespread Cold Wave Proves Highly Beneficial.

New York, Dec. 2.—Bradstreet's weekly review of trade says while mild weather retarded retail trade early in the week, except in holiday supplies, the widespread cold wave later offered a needed corrective and stimulus to the only lines hitherto backward. Weather conditions are now to bring the long continued season of out of door work to a close and likely to affect the building trades, which have had the most active year in their history. Seasonable quietness is reported in many lines of wholesale trade, but it is noted that manufacturers and jobbers are actively engaged on holiday goods, some lines of which are already reported oversold, indicating that a record year's business will be garnered. All reports as to spring trade are satisfactory, but hitherto mild weather and car congestion are responsible for reports of rather backward trade and of slow collections in the Northwest. Southern holiday trade reports are very good as a whole. Taken as a whole the reports as to the traffic situation show a small improvement. Reports from the various industries are still highly favorable. Rather more unrest, present and prospective, is noted in labor lines, notably in the New York building and shipping trades. The prospect of another anthracite coal strike next spring is being discussed. Prices of all staples are quite firm.

ENTIRE FAMILY KILLED.

Explosion of a Gas Main Results in Four Deaths.

Weston, W. Va., Dec. 2.—Charles F. Douglas, a farmer, his wife and two children were instantly killed at night by an explosion of a gas main running past their home, three miles from here. Their home was wrecked and later caught fire, almost consuming the bodies. The explosion was felt for a distance of five miles and caused much excitement. It is supposed the main sprang a leak and the gas was in some way ignited.

CAPTURE SEVERAL CANNON.

Albanians Attack and Defeat Turkish Troops.

Salonica, European Turkey, Dec. 2.—It is reported that Albanians recently attacked the troops at Liuma and captured several cannon and that Theusi Pasha has gone to Liuma with troops. It is stated that the Albanians are furious at the prospect of the European powers taking over the financial control of Macedonia.

Death Sentence for Four.

Valdosta, Ga., Dec. 2.—The death sentence was again imposed during the day on J. G. Rawlings, his sons Milton and Jesse and the negro, Alfred Moore, all convicted of the murder of the Carter children last June. The sixth of January, next, was fixed as the day for the execution of the four.

TELEGRAPHIC BREVITIES.

President Roosevelt and family have returned to Washington from "Plain-dealing." Mrs. Roosevelt's Virginia country place.

Michael Judd, a pioneer farmer of Rosemount, Minn., was killed at the Rock Island railway crossing at that place while driving home in a wagon.

King Alfonso has accepted the resignation of the Spanish cabinet and has requested Senor Moret, formerly minister of the Interior, to form a new ministry.

Annie W. Gardiner, known in theatrical circles as "Bobby Beach," the minstrel, head of Beach & Bowers, is dead at Watertown, Wis., as the result of a stroke of paralysis.

At Baltimore, Jack Johnson and Young Peter Jackson, both colored, fought twelve rounds. No decision was given. Johnson had undertaken to knock Jackson out within twelve rounds and failed to do so.

CASE GOES TO THE JURY.

Trial of Dr. McLeod at Boston Comes to an End.

Boston, Dec. 2.—The jury which has been hearing the evidence at the trial of Dr. Percy DeMille McLeod, the Back Bay physician, who is charged with being an accessory to the performance of an illegal operation on Susan A. Geary, the dress suit case victim, retired to consider the testimony at 4:45 o'clock p. m. Judge Stevens, before whom the case has been tried, instructed the jury to seal the verdict should one be reached at night and present it in the morning.

The proceedings during the day furnished a dramatic climax to an already sensational session. Dr. McLeod in his own defense testified that he did not dismember the body of the chorus girl. He denied that he had even had any connection with the "Mrs. Dr. Bishop" offices where the illegal operation is alleged to have been performed and swore that he had never been inside the Winthrop street house where the girl died, until summoned to perform an operation to save Miss Geary's life.

Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists.
